

Zoom Meeting Integration with Moodle

Zoom can now be integrated into your Moodle course. This allows your students to be able to see which week you may have a Zoom meeting scheduled. By adding the "**Zoom Meeting**" activity you can simply add Zoom to any Moodle section. Follow the steps below to get started.

1. Login to your Moodle course, click the **big gear icon** and select **Turn Editing On**.

2. Select which section you want to add Zoom and select **Add Activity or Resource**.

3. Select **External Tool** and click **Add**.

Add an activity or resource

- Glossary
- HotPot
- Lesson
- OU blog
- OU wiki
- Questionnaire
- Quiz
- SCORM package
- Student folder
- Turnitin Assignment 2
- Workshop
- Zoom meeting

Zoom is a video and web conferencing platform that gives authorized users the ability to host online meetings.

RESOURCES

- Book
- File
- Folder
- Label

Add Cancel

4. Fill out the required settings including the date and time of your Zoom meeting.

General

Topic

Description

Display description on course page

When: 13 February 2018 15:20

Duration: 1 hours

Password: *Click to enter text*

Host video: On Off

5. When finished configuring your settings select **Save and Return to Course**.

6. The Zoom Meeting activity will then show up in the section you selected.

7. Click on the Zoom Meeting activity to see your saved settings. Click the Green **Start Meeting** button to begin the meeting. You can copy and past the **Join Link** URL to share with others outside your Moodle course.
