

# GitHub Desktop

<b>Description</b>	Software version control
<b>Access</b>	Everyone
<b>Platform</b>	<a href="#">MAC</a> <a href="#">WINDOWS</a>

## About GitHub Desktop

GitHub is a software version control system. GitHub Desktop is a program used for interacting with [GitHub.com](https://github.com) and Swarthmore's GitHub Enterprise. More information about Swarthmore's GitHub Enterprise installation and setup assistance is available on the [GitHub Enterprise](#) page.
